BOARDROOM

Viewpoint

PEOPLE in the know tell me that last weeks A.G.M. was one of the quietest and most constructive for some time and I'd like to thank everyone for the support and the suggestions that came from the meeting.

Mr. Flowers made the point that the Lifeline was still a very sound way of raising much needed capital.

Mr. Hurley the Lifeline treasurer made the point that if an investor could be found to say inject £250.00 the interest would cover our Bank charges. We will be looking at this and other suggestions in the near future.

If anyone has any comment to make or suggestions on any subject, whether it be fund raising, ground improvements or whatever, write to me at Springfield Park, I'd be delighted to hear from you.

One of the joys of this season has been to see the way the fans have really been behind the team, what we have been lacking in quantity, we have certainly made up for in quality, even though as some local businessmen say, we are in the back yard of Rugby League.

Say no more.

Well done!

ATHLETIC

Bryan Hamilton

GOOD afternoon to you all and welcome to our friends and neighbours from Bolton for what is a crucial game for both sides.

Our victory at Newport last week once again showed the character and determination running through the side and to come back twice, as we did, against a side battling against relegation and in dreadful condition can only bear well for the rest of the season.

We have ten games left now and promotion is firmly in our hands.

As long as we keep winning we needn't concern ourselves with what our rivals are doing and I think that victory from our five remaining home games will see us through.

You the fans can play a major part in the run in. Your support throughout the season has been tremendous. It has never wavered and it is one of the reasons why we have achieved so much so far.

But the season is not yet over. We are entering into a crazy month with two games almost every week from now on so we have to make sure our concentration and attitude are right, not only in what is sure to be a pulsating local derby today, but in the nine remaining league games afterwards.

Finally let me extend my good wishes to Phil Neale and his Bolton side and I sincerely hope they avoid the drop into the Fourth Division, as I'm sure they are capable of doing.

Have a good day and enjoy the game.

Wigan Athletic 1 York City 0

The fans streamed away from Springfield Park after this display convinced more than ever that the Second Division isn't far away.

Bryan Hamilton admitted he was "highly delighted" with the vintage performance from his side while York City's respected manager Dennis Smith was much more forthright, saying: "We ought to have been murdered. It's a long time since we were given the runaround like that and there were few sides who could have lived with Wigan tonight, they were simply outstanding".

York almost scored in the first minute when Keith Walwyn's header grazed the bar but after that it was one way traffic towards the other goal and only the brilliance of York 'keeper Leaning, and the woodwork kept us out.

But Warren Aspinall finally broke through in the second half when Graham Barrow nodded down a cross from Tony Kelly and Warren swooped to head the ball over Leaning.

Newport County 3 Wigan Athletic 4

Some well chosen words at half time from Bryan Hamilton no doubt had the desired effect as Latics recorded their first win at Newport.

But after a first half when the visitors never got going and went in to trail 2-1 it seemed the Newport jinx would strike again.

Tony Kelly levelled from the penalty spot following a Newport opener but slack defending let the home side in again via veteran Bob Latchford.

But what a transformation after the break. Kevin Langley scored for the second successive Saturday to equalise and David Lowe headed Wigan.

Wigan in front before Latchford scored a freak goal to make it 3-3.

A draw seemed certain until Warren Aspinall latched on to a mix up in the Newport defence and ran on unchallenged to round the goalkeeper and shoot home.

EVENTS FOR YOUR DIARY BROOKSIDE v WIGAN 27th April 1986

Sportsmans Dinner

17th April 1986

with guest speakers: Dickie Bird & Goldie Goldsmith

On Sunday 19th March, 1986, we held our Road Race. It was a great day and an enjoyable day was had by all. We would like to thank everyone who took part. We are holding another Road Race on 19th October. We would like to change the name though, so, if you have any suggestions we would be grateful.

We would also like to change the name of the '500 Club', so your suggestions will be very welcome.

18 The Close, Haydock, St. Helens, M'side WA11 0BY.
Dear Sir,

It is possible to let fellow 'Latics' fans know through the match-day programme that I have a large number of 'Latics' home and away programmes for sale. I've acquired them over the last few seasons and due to lack of space have little alternative but to sell them and would like to pass them on to Latics fans at reasonable prices.

If any fans are interested could they please send an s.a.c. for a list.

It is possible to let fans know in the Bolton programme or any earlier.

Yours, Brian Middlehurst

WIGAN ATHLETIC SUPPORT

Having noticed, read and seen on 'Grundstand' reports about the lack of 'Latics' supporters, despite the high standard of soccer played, mainly due to the predominantly Rugby-orientated area in which we are situated, I have a suggestion which I hope might be considered by the Board and Management.

If, presumably, the town of Wigan has been exhausted of possible football supporters, then the 'Latics' should be 'sold' to the outlying areas of St. Helens, Warrington, Leigh, Ormskirk etc. (who do not have League teams themselves) and be 'enticed' to come along. Football fans in these areas only have the choice of watching Liverpool, Everton or the Manchester teams, but several, like myself, prefer the excitement of the lower divisions.

These fans could be enticed by:

1. Placing articles and adverts about Wigan AFC in the many local papers in these new areas,
2. Getting sports reports of Wigan AFC matches published in the same papers.
3. Arranging transportation a 'ta' Liverpool, Everton and United from each of the above town centres following suitable publicity.

I am sure this, combined with the attractive football seen at Springfield Park will attract at least an extra few thousand fans.

K. Neale, 73 Markfield Crescent, Islands Brow,
St. Helens, Merseyside.

Today's Cannon Invitation Day 6-a-side Curtain Raiser is between Wigan Boys U.14's and Bolton Boys U.14's.

Mr. T.P. (Percy) Holland of Gathurst Lane, Sherington, a lifelong supporter and a shareholder of the Club died suddenly at his home on Sunday, February 23rd, 1986. Percy was an ex-Football League Referee and will be greatly missed by all his friends on the halfway line at Springfield Park.

THIRD DIVISION

BEWARE of the dark horses. That's the warning being flashed out to the rest of the Third Division promotion hopefuls by on-song Plymouth following their 4-1 hammering of Derby County on Saturday.

A few weeks ago it seemed that Gillingham, Walsall, Wigan and Derby would be the ones to go up along with certainties Reading, but how times change and now it's Plymouth who are the dangers.

Wigan would appear to be heading for Division Two following six straight league wins and are unbeaten in the League this year, while Derby, who have four games in hand on Bryan Hamilton's team are suddenly beginning to feel the strain.

Their defeat at Plymouth means they are six points behind Wigan - and therefore need two of their four games just to get on level terms.

Walsall must be disappointed with their goal-less draw against Darlington at Fellows Park - which means that Darlington have drawn at Derby and Walsall in successive weeks - while Gillingham appear

to have blown their chances.

They fought back from being 2-0 down at Swansea to draw 2-2 but some needless defeats in recent weeks have left them eight points behind second placed Wigan, who have a game in hand.

But as always Easter will be a crucial time for those involved in promotion and relegation.

Plymouth were due to play at Cardiff yesterday while today, Derby were at home to struggling Newport. Gillingham face leaders Reading and must win that one to stay with any chance at all while Walsall travel to meet York at Bootham Crescent, not an easy place to go at any stage of the season.

On Monday, Gillingham go to Brentford, Plymouth have a home game against Bristol City, Reading meet Bournemouth and there's a real cracker in prospect at Fellows Park where Walsall meet Derby County.

Wigan go to Bristol Rovers on Tuesday night of course.

15 YEARS AGO . . .

Latics (0) 1 Netherfield 0, Sat. 27th March 1971. Att. 3,207

(Todd 68)

Northern Premier League
Wigan stayed clear of the chasing pack of clubs thanks to a smart piece of finishing by Bobby Todd and to Gordon Milne's new-look playing formation. It was Todd's snap shot through a ruck of defenders that took the tension off and it was the 4-3-3 system introduced by Milne that ensured the lion's share of midfield possession for Athletic. Yet, until Todd's goal, it seemed that this possession would be useless as, for one reason or another Wigan failed to find the net. One reason was former Athletic 'keeper Alan Halsall who played the proverbial "blinder" and another was the woodwork which foiled both Billy Sutherland in the first half and Lee Koo in the second. Although most of the real action took place in the Netherfield penalty area, the two best chances of the game fell to the subdued Netherfield forward line and it was the same player Henny who missed them both. In the first half, he failed to control a through pass when clear of opposition and just after half time, a 'sore defensive slip by the Wigan defence allowed him an unhampered run to goal but he scooped the ball a yard over the bar. Other ex-Wigan players in the Netherfield team were Ronnie Melling, Jimmy Lynn and substitute Les Campbell who was also the player-manager.

TEAM: Reeves, Morris, Sutherland, Milne, Cootis, Gillibrand, Turner, Todd, Davies, Koo, Oates, Sub. Ledger for Milne 69 minutes.

10 YEARS AGO . . .

Latics (0) 1 Northwich Vics (2) 1, Monday 29th March 1976. Att. 1,068

(Garrett 81) (Rolland 10, Smith 44)

Northern Premier League
Latics tumbled ignominiously to defeat against middle of the table Northwich. Dressing room unrest over the weekend which resulted in the transfer listing and disciplining of John Rogers clearly affected Wigan's play on the field. With a gale at their backs in the first half, Athletic failed to make any impact until Jimmy Garrett worked a couple of openings only to fail in front of goal. Northwich had given Wigan an object lesson in the art of scoring by carving open the home defence in the 10th minute for Jimmy Rolland to notch his 43rd goal of the campaign with a low shot under the advancing Peter Eales. Just on half time, Smith sped away from the half way line but before shooting he chose to bamboozle Fred Molyneux on the penalty spot before leaving Eales stranded for the second time.

The second half saw no improvement from Wigan even with the replacement of Jeff Wright by Micky Worswick. There was a brief flicker of hope nine minutes from time when Garrett at last got the reward he had been seeking all night with a low snap shot which beat former Latics 'keeper Eddie Roberts on its way to the far corner of the net. But even this stirred Athletic to no great efforts in the final minutes and they finished as they had started, totally lacking in real conviction. Another ex-Wigan player in the Vics side was Phil Jones.

TEAM: Eales, Gore, Baines, Braithwaite, Molyneux, Gillibrand, Garrett, R. Wilson, Wilkinson, King, Wright. Sub. Worswick for Wright H.T.

5 YEARS AGO . . .

Tranmere Rovers (1) 2 Latics (2) 3, Sunday 29th March 1981. Att. 3,437

(Mungall 23 Kelly 89) (Houghton 4,11,83)

Division Four
Two goals in the first eleven minutes set Latics away to an excellent win against a side battling to pull away from the re-election zone and although it was never easy, Wigan always had the slight edge. It was a door struggle played on a sticky, sapping pitch. Peter Houghton sent the Wigan fans wild after only four minutes when he latched on to a long ball from John Curtis and outpaced the defence before slipping the ball past 'keeper Johnson. The second, seven minutes later was a cracker. Houghton, after picking up a long pass from Larry Lloyd, lobbed the ball over Bramhall and as Johnson came out, cracked the ball past the astonished 'keeper from all of twenty yards. Tranmere hit back when Mungall forced the all over the line after a mix-up in the Wigan defence had left Bob Ward stranded. In the second half Athletic soaked up a bit of pressure before putting the game firmly beyond doubt with another superb piece of finishing by Houghton, who claimed his second Football League hat-trick. Put clear by George Urquhart, the speedy Houghton outpaced the Tranmere defence before slipping the ball easily and calmly past the groping Johnson. Tranmere added a second goal in injury time through Kelly but questions must have been asked of the Wigan defence that had shown two totally uncharacteristic moments in indecision that had cost them goals. Playing for Rovers at full back was their player-manager, a certain Bryan Hamilton. Also in their team were Clive Evans (who joined Latics at the start of the following season) and their second half substitute was now our own fan "Billo" Griffiths. The attendance was Tranmere's biggest league crowd of the season.

TEAM: Ward, Curtis, McAdam, Cribble, Methven Lloyd, G. Urquhart, Wright, M. Quinn, Houghton, Corrigan, Sub. A. Quinn.

Who's Who

SIMON FARNWORTH (Goalkeeper): Voted Player of the Season by the fans last term in only his second full season in League football! Under the watchful eye of Charlie Wright, who has coached him since his school days, Simon has developed into one of the most promising talents on the North West scene, and deserved his recognition under the Robinson's Young Player award scheme.

DEREK SCOTT (Defender): The highly versatile Gateshead lad and former England Schoolboy international signed from Burnley in the summer for £20,000 after 10 seasons of first team football with the Clarets. It was the third time Wanderers had tried to sign him.

JIMMY PHILLIPS (Defender): A home town boy who emerged last season at left back and as a central defender with many encouraging qualities.

DAVE SUTTON (Defender): The former Plymouth central defender joined Bolton for £12,000 in the close season after eight years with Huddersfield where he was club captain and enjoyed two promotion campaigns including a Fourth Division Championship success.

MARK CAME (Defender): The big centre half made a forceful impact last season — his first in League football after joining Wanderers from non-league Winsford.

PAUL FITZPATRICK (Defender): Bolton moved in for the young defender after seeing him in trials with Liverpool. He showed a lot of promise in his brief appearances at senior level towards the end of the season.

ASA HARTFORD (Midfield): A half-century of Scottish International caps behind him, the seasoned midfielder player joined Wanderers in the summer after his shock release by Norwich City, for whom he scored the winning goal in last season's Milk Cup Final against Sunderland. Clydebank-born, Hartford started his career with West Brom and in spells with Manchester City (twice), briefly with Nottingham Forest and two years with Everton, he was regarded as one of the most influential of British midfield players.

WARREN JOYCE (Midfield): An award as one of the North West Young Players of last season was a fitting reward for the determined young sporting all-rounder who has been a regular in the Bolton midfield since making his debut at the age of 19 in April, 1983.

STEVE THOMPSON (Midfield): A powerful shot is just one of the assets of the strong young midfield player who has been a first team regular for two seasons.

GRAHAM BELL (Midfield): In his third season with the club, Graham joined the Wanderers from Carlisle in January 1984 with a wealth of experience after spells in the North West with Oldham and Preston.

SIMON RUDGE (Forward): Small in stature but big in heart, the Warrington-born youngster who started his League career with the Wanderers as a striker made an impressive switch to midfield last season.

ROGER WALKER (Forward): Speed and control are the exciting talents of the youngster who has been impressing in the club's junior sides for a couple of seasons.

TONY CALDWELL (Forward): The club's top scorer in successive seasons since being snapped up by the Wanderers from a local non-league club in the summer of 1983. Within two months of hitting the League scene he scored a club and Third Division record five goals in a League game against Walsall.

GEORGE OGHANI (Forward): Twenty-one goals last season proved that the talented striker who made goalscoring his business in his non-league days also had the instinct to make it in the Third Division.

DAVID CROSS (Forward): Few men can boast as consistent a scoring record as the much-travelled striker who joined Wanderers in the summer after being released by First Division West Brom, where he had returned for a second spell after playing in America. The North West is David's home territory although he has travelled the country serving up a feast of goals with Rochdale, Norwich City, Coventry, West Ham, Manchester City and Oldham during a League career of well over 500 games.

DEAN ROBERTS (Forward): A promising, fearless striker who was robbed of a possible senior breakthrough last season by an untimely injury.

SAM ALLARDYCE (Defender): In his second spell with the Club following his £10,000 transfer from Huddersfield, Sam made his name with the Wanderers in the Seventies when he shared in the Second Division Championship success. Transferred to Sunderland in 1980 Allardyce also had spells with Millwall and Coventry.

STOP PRESS

Wigan A.F.C. Supporters Club won the Darts & Dominoes League title beating the "Bird" into second place after a hard fought battle lasting most of the season.

GOOD afternoon once again, and welcome to Springfield Park for this "Derby" match against our neighbours from Bolton.

If I could just take you back to January 1st and mention the hospitality I received from a section of the Bolton supporters when we visited Burnden Park, which resulted in me exchanging pennants on the pitch before the match in the cause of a Supporters United which as you know endeavours to bring rival supporters closer together. A policy which I have always been in favour of, and would like to return the compliment on the pitch before today's game.

Also I would like to mention the Wanderers fans who are doing a charity walk today from Burnden Park to Springfield Park, and wish them the best of luck in their effort to raise money.

GOOD afternoon and a warm welcome to all young supporters. Today we have a presentation on the pitch when Bryan Hamilton will award trophies to the winners of the Miss Junior Latics contest. The lucky ladies are Cheryl Bate, Miss Junior Latics Queen and Suzanne Cunliffe, Miss Junior Latics Princess. Congratulations girls!

A few weeks ago I made the short trip to Blackpool to watch the Blues move closer to the 2nd Division. Apart from the two Latics goals the best part of the afternoon was to see so many Junior supporters cheering on the terraces. Anyone who doubts the value of the Lightfoot gate at £1.00 would do well to note that Blackpool charge £1.80 for youngsters. As we have said, we are the cheapest in the football league.

The behaviour of our young supporters was excellent and a credit to the club and you are to be congratulated. The Junior Latics organisation is working towards the day when the young supporters of both teams will stand side by side on the terraces and cheer exciting football. That day may not be too far away as we are establishing stronger links with other Junior organisations in the league in the hope of inviting visiting young supporters to Springfield Park as the guests of Junior Latics and to meet with yourselves.

Finally, Junior Latics would like to wish Alex Cribley a very happy birthday for this coming Monday, April 1st — no jokes please!

Keep supporting and keep cheering.

(L-R) Roy Mathias, Cheryl Bate (Queen), Bryan Hamilton and Suzanne Cunliffe (Princess).

In Reser

FOLLOWING the fine performance the previous evening by the 1st Team, our reserve team put together a very determined effort on Wednesday evening to beat Nottingham Forest 2-1 and so avenge our defeat at Nottingham earlier in the season.

With our team containing three non contract players it was pleasing the way that we played as a team, but with some fine individual performances, especially from Steve Walsh, Paul Jewel and Billy Stewart.

Forest opened the scoring after half an hour but we equalised with a superb header from Paul Jewell from a fine driven cross from Steve Wilkes. In the second half, fine work down the left from trialist Andy Abbishaw resulted in Paul Jewell and another trialist Graham Houston challenging for the cross with the Forest 'keeper and Steve Wilkes volleying the loose ball into the net. After this Forest put us under some pressure but with Billy Stewart making some fine saves, one in particular from his own team mate Paul Cook, who was all over the place throughout the match, we held on to collect a valuable victory.

With the Youth Team

OUR First team's tremendous promotion push has had one side effect that is not totally unexpected. The coaching staff have received an absolute deluge of mail from literally hundreds of youngsters eagerly requesting a trial with Wigan Athletic Football Club. Requests for trials have come from places like Cardiff, Newcastle and London. One such similar request from the brother of Peter Davenport arrived at Forest and Mr. Clough — a few years later, £550,000 changed hands with Davenport on his way to Manchester United.

It is easy to be cynical and dismiss trialists letters without a second glance but each letter is examined on its merits and a suitable reply sent to the inquiring youngster — we don't want to miss a Davenport at Wigan!

But, of course, these days the vast majority of players are snapped up before they leave school. At the recent England v. Eire Boys' International at Maine Road in which England won by 3-1, most of the talented U.15 boys were already on Associate Schoolboy forms. The youngsters that made England tick though was one Paul Wratten from Middlesbrough. He was one of the few not to have put pen to paper but judging by the number of clubs represented in the match (including Wigan Athletic) that situation will change pretty quickly — Paul will not need to write to a club for a trial!!
